PRESCIENT SECURITY

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2022

The Certification Body of Prescient Security LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022.

ZenML GmbH

Schellingstraße 36, 80799 Munich, Germany

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to information security management systems (ISMS) supporting ZenML GmbH which provides ZenML Pro, Software-as-a-Service (SaaS) products built to help Data Scientists, ML Engineers, and MLOps developers work together more effectively, facilitating a seamless transition of machine learning workflows from development to production environments. The ZenML Pro product is based on the ZenML framework open-source and builds extra features, such as multi-tenancy with managed servers, Single-Sign-On (SSO), and Role Based Access Control (RBAC). The scope also includes Information Technology Operations ("ITOps"), Software Development ("Dev"), Information Security ("InfoSec"), and Marketing & Sales teams.

This is in accordance with the Statement of Applicability version 1.2, dated September 01, 2026.

CERTIFICATE NUMBER: 122594 (Issue 3)

Original Issue Date	September 06, 2024
Latest Revision Date	September 07, 2026
Valid Until	September 05, 2027

This certificate remains valid subject to satisfactory surveillance audits.

No activity of the organization within the scope of certification is undertaken at a defined physical location – all in-scope activities of the organization are conducted remotely.
